I've done a long journey

Finally, I arrive here

I've never expected there is a prosperous city in place far away from the capital

Even the houses were made from gold, this just like heaven.

He's just a boy who likes to play around

Ah.. Yoshitsune?

He's a shorty and his face doesn't change at all

He doesn't change at all since he came to Hiraizumi six years ago

Because he ate my cake!

Last day, I had a great fight with him

Cause he still like a kid.

I always lecture him.

He doesn't have reputation as a nobleman

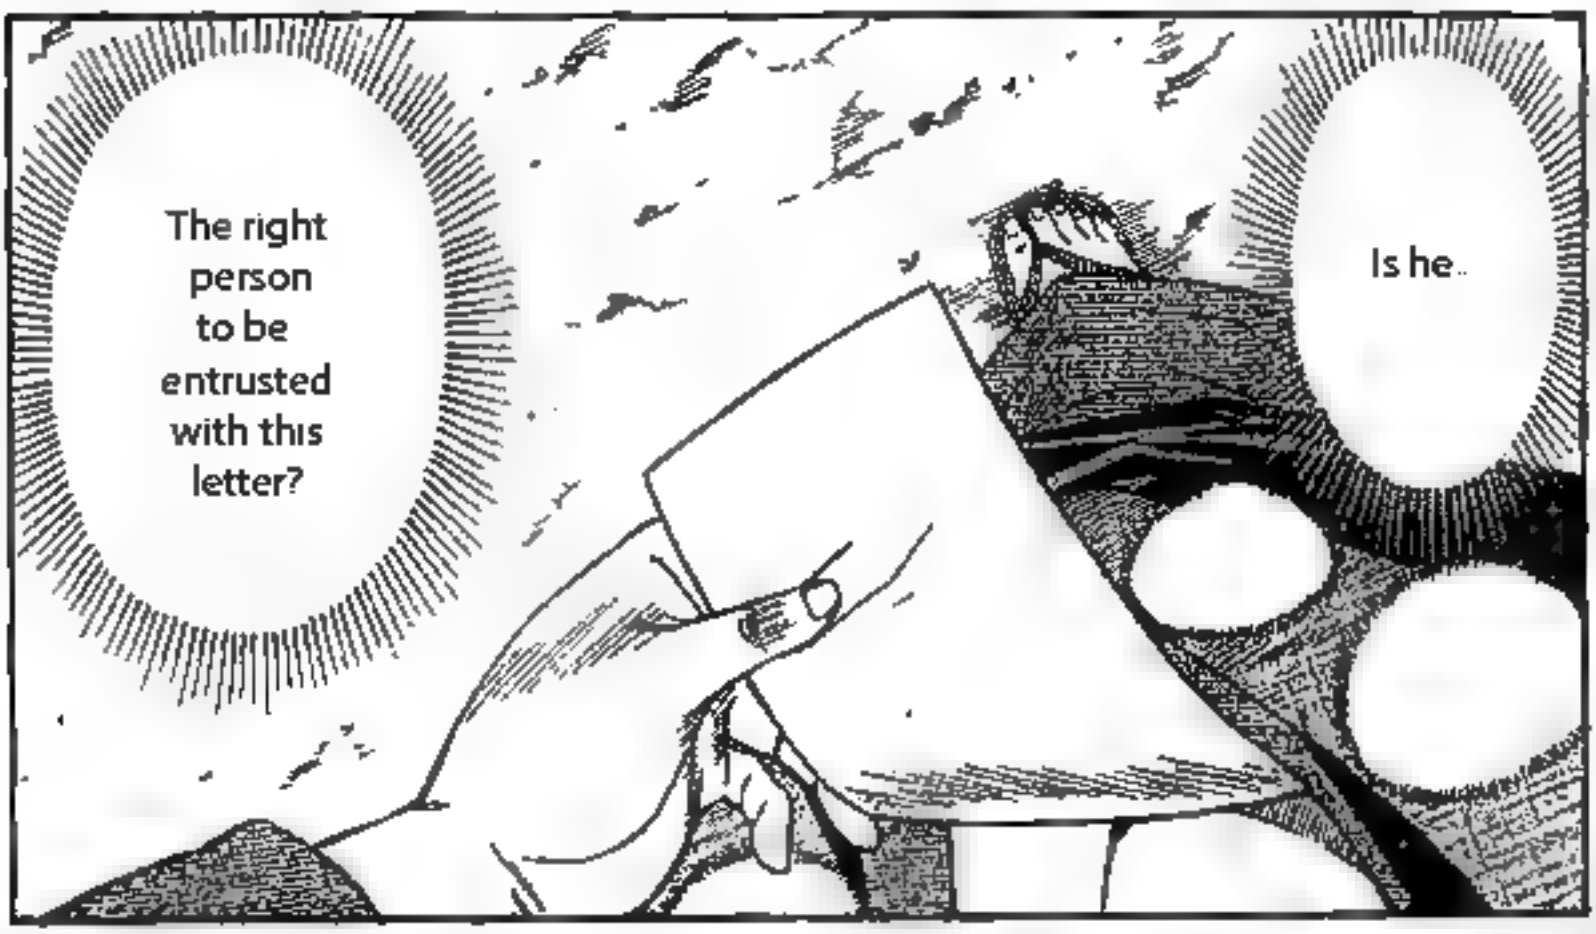
Damn..

Little Ushiwaka* that time who dared to oppose Kiyomori

Heishi Leader who harassed his mother.

*Ushiwaka = Yoshitsune's child name

But he's just
A brat..
I thought
he will grow
to be a great
person



The right

to be
entrusted
with this
